Guide for Prescribing the U-Step 2 Walking Stabilizer

1. Fill out the following **Detailed Order/Prescription** form
2. Medicare requires **physician's notes** detailing your conversation with your patient and explaining that you are recommending the **U-Step 2 Walking Stabilizer** because their neurological condition puts them at significant risk of falling with a standard walker.
3. Please fax the following information to (847) 676-1202 and we will follow up with your patient or their family representative. (In-Step Mobility has HCAC accreditation and is HIPPA compliant)
 - Face sheet – Patient contact and insurance information
 - Detailed Order/Prescription
 - Physician Notes

Please call us at (800) 558-7837 if you have questions. Thank you for your support – we appreciate the opportunity to work with you and your patients.
